

WELLNESS PACKAGE

NOSARA IS THE MECCA OF WELLNESS IN CENTRAL AMERICA

Experience a greater level of being through body and mind treatments, healthy and delicious nutrition, rejuvenating respites and a healthy dose of fun. Start your day finding your center with a morning yoga class, connecting yourself with the jungle around. Pamper your body with a natural treatment: moisturizing, firming, detoxing or cooling your skin. Escape for a moment on our private meditation session, hidden in our nature trails and waterfall deck. Learn how to prepare your favorite locally inspired dish and feed your body with custom prepared meals made with love throughout your stay.
